

## **Updated guidance for attending services**

- We will no longer have any “sign up” requirements.
- Masks in the nave will be “optional”. Consistent with CDC guidelines, we highly encourage anyone not fully vaccinated or anyone uncomfortable without a mask, to continue wearing a mask in the nave.
- We will further reduce the distancing from 2 seats down to 1 seat. When seating yourself in the nave, please maintain an empty chair between other non-family members.
- We will begin the process to consolidate the choir back to their normal location.
- We will have full masking and distancing with live streamed services in the church hall for those that still may be uncomfortable with the precautions in the nave.

### **What will continue?**

- Fr Constantine will continue to use separate spoons for communion
- We will continue to live stream all services
- We will continue to ask that you do not attend services if you are feeling sick
- We will continue to ask that you do not touch or bend over to venerate icons
- We will continue to schedule a periodic, small scale coffee hour for the time being.

We believe that these changes will allow more parishioners to attend services in the nave while providing a safe environment for everyone attending services. We highly encourage everyone to come and worship with us.
